TENANT INFORMATION AND INSTRUCTIONS

Please read and retain for future reference.

It is a pleasure to welcome you as our tenant. We believe that if you are familiar with some of our obligations, responsibilities and policies, most misunderstandings will be avoided and consequently a better relationship will be established between us.

We are managers for the owners of rental properties and are bound by legal contracts with them as well as with our tenants in most actions we take.

We believe we can best serve the interests of our owners by offering complete, courteous, and prompt service to you, their tenants. However, both parties to any lease or rental transaction have certain obligations and responsibilities. **THESE OBLIGATIONS DO NOT LIE SOLELY WITH THE OWNER OR HIS PROPERTY MANAGER.** You are requested to read the lease agreement, which you have signed or will sign with us. It is a legal document and is binding on all parties who have signed it. We, as the property manager, have no authority to deviate from this contract. We will be very happy to answer your questions about it, but you are requested not to ask us to breach any of its covenants.

Rent is due on the first of each month. Cash is accepted for the exact amount only and only during office hours. Residents must obtain a receipt on all cash payments. Rent payments may be made by cash, money order, personal check, or cashiers' check. Credit cards are accepted with an additional convenience fee. Residents may mail rent payments. However, rents must be received in the office by closing time on the 5th day of each month to avoid late fees. Neither the postmark on the envelope nor the date on the check will be considered. **All checks must have the apartment number clearly displayed.** Holidays and school vacations shall not excuse late rent payments.

A deposit will be posted by all tenants. This deposit was made by you to indicate your good faith that you will abide by all covenants of the lease agreement. If you do not fulfill your part of the contract, the deposit will be used to reimburse the owner for any losses. If the deposit should be inadequate to cover the loss, you will be billed for the balance.

We are at times forced to use some or all a tenant's deposits for the following reasons: (1) Failure to give thirty (30) days' written notice, prior to the expiration of your Lease Agreement, in which you intend to vacate the property. **WE CANNOT ACCEPT THIS REQUIRED NOTICE BY TELEPHONE.** However, you may telephone us to request a form to use in submitting your written notice. These will only be accepted on the first of every month (2) Failure to leave premises clean when vacated (3) Damage to building, appliances or landscaping though negligence, misuse, or maliciousness and not being normal wear and tear (4) For any late fees or utilities that were not taken care during you lease term (5) Fees to break lease.

If a transfer occurs prior to the expiration of your lease and you must move without being able to give the required 30 days notice, give us all the notice possible and we will make every effort to re-rent the property before you leave. You will still need to pay rent until the end of your lease agreement unless you or we can find someone to fill your lease. We do not collect rent from two different tenants on the same property at the same time. Military personnel transferred away from area may turn in a copy of their orders in lieu of written notice.

Property will be checked out after the tenant has vacated and the keys have been turned over to the property management department. Checkouts will be made between 8:30 AM and 5:00 PM. Monday through Friday and on Saturday by appointment.
